TESTIMONIALS

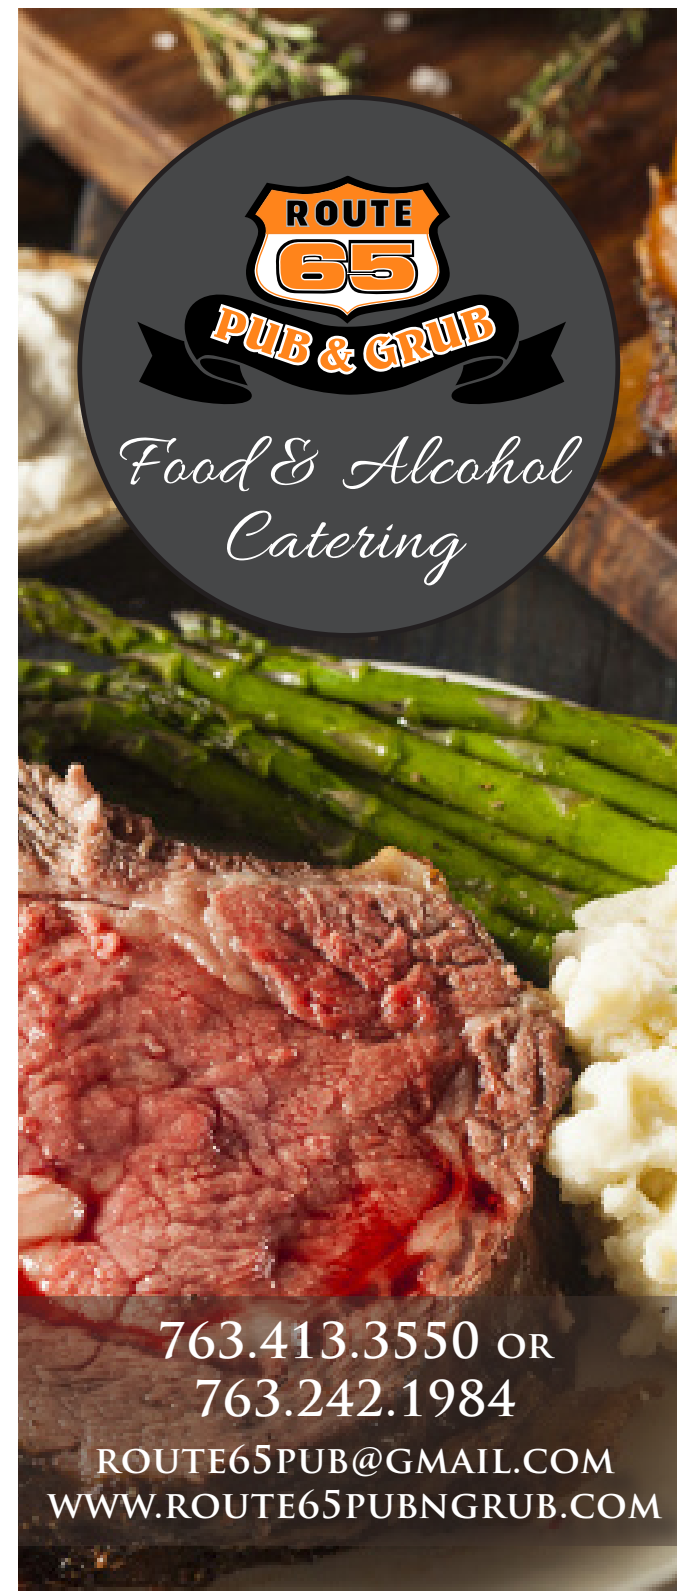

Dear Route 65,
Thank you so much for making my wedding reception such a wonderful success. The food was absolutely delicious, and I've passed "Route 65's Catering" along to my friends for future reference. I really enjoyed working with all of you. I'll be calling again next year to have you cater my daughter's high school graduation party.

Again, many thanks,
Sharie Hanson

To Everyone at Route 65 -
We've always had really wonderful experiences when using Route 65 for catering, but this time you really outdid yourselves!

About a week ago we learned that we had 100 VIP's coming to visit our campus - yipes! Your great staff, worked with us on short notice to make the event a success. The food dropped off for us last night was wonderful, just the right amount, and made a huge impression on our guests.

Thank you and keep up the good work!
